**CLASS DESCRIPTIONS**

**Skin Analysis/Product Knowledge Participation/Demo**

Learn how to analyze skin by its type not condition, color, gender or ethnicity. You'll get an interactive overview of Tu'eL Skin Care and better understand the advantages of using hydrophilic products in your facials. Class fee is non-refundable.

**Advanced Skin Hands-On**

Get an in depth understanding of how to use Tu'eL skin care products to achieve optimum results. You'll learn which products are right for each skin type and condition. Includes detailed instruction on skin analysis, exfoliation, extractions, massage, and electrical equipment.

**Acne Treatments Lecture/Demo**

Learn a straight forward approach to treating acne at any age. This class will address both internal and external treatments to control and clear up acne regardless of any other skin care line you are using.

**Anti-Aging Treatments Lecture/Demo**

Understand the causes and effects of both environmental and natural aging. Learn Tu'eL treatments that work beautifully with other skin care lines. This class will also cover advanced exfoliation techniques as well as pre and post cosmetic surgery treatments.

**Reactive or Rosacea Treatments Lecture/Demo**

Learn the difference between Rosacea and skin that reacts to products. Identify the triggers and stages of Rosacea and how to effectively reduce symptoms and balance reactive skin with Tu'eL products.

**Oncology Skin Treatments Lecture/Demo**

Cancer sucks, but your clients' skin doesn't have to. This class offers a compassionate look at skin care treatments for oncology patients. Understand how the skin responds to common drugs and treatments. Learn how to customize treatments with Tu'eL to maintain healthy skin and help your clients look and feel great.

**Body Treatments Workshop Hands-On**

No shower needed! Learn how to perform slimming body wraps, exfoliating scrubs, and hydrating mud treatments without making a mess. This 2 day class will give you all the instruction you need to add these popular and lucrative services to your treatment menu.

**Advanced Waxing Hands-On**

Become proficient in head to toe waxing, including the Brazilian. Learn proper body positioning and efficient techniques to reduce your waxing time. You'll also learn industry standards in pricing and appropriate behavior as well as how to prepare your client for normal reactions.

**Brazilian Waxing: Private Class Hands-On**

This workshop focuses on safety, speed and technique. Learn how to successfully start, build and maintain a Brazilian wax clientele. \*The California class is private, one-on-one instruction. Please contact us to schedule the class.
