Lori Nestore Chair Side

Spend 2 days learning from the best in the business. Lori Nestore, President of Eva's Esthetics will come to your salon or spa and teach you step by step how to analyze skin, the best facial techniques, client consultation, how to sell retail products and basic business procedures. She will help set up your room, and teach you how to be successful. Whether you are in a one person room or a large salon, Lori wants to help you succeed. Take advantage of this opportunity to learn from one of the most dynamic educators in the country.

Advanced Skin Class

This 4 day class is essential to the success of your business. You'll learn how to analyze skin and choose the right products for each of your clients. The class includes hands-on training which allows you to perform facials on people of all skin types. In the California Facility you will also have the opportunity to learn with Lori Nestore in her ever popular, interactive business class.
